Doodlebugs Art / Ages 2-4 A fun-filled, theme-based, messy art class designed to teach our littlest artists to paint, color, glue, sticker and collage their way through the world of "Nature." Our teachers will challenge your child's fine motor skills with developmentally appropriate art that's the perfect parent-and-me project. Together time at its best! *Mon 10:00am-10:45am / Tues 10:00am-10:45am*

Imagination Stations / Ages 2-4 The best mix of story time, art, music and drama for your young artist. Perfectly balanced to match short attention spans and hungry imaginations. This class has been tested tried-and-true from coast-to-coast and always receives rave reviews from parents and kids. Children will build social skills and self-esteem while enjoying great books. You can't get that watching television! *Tues 11:00am- 11:45am*

Rhythm in Me / Ages 2-4 Musical instruments, hand songs and creative movement activities celebrate the music of childhood and challenge your little ones to find their inner maestro while teaching some of childhood's trickiest lessons in patience, taking turns, following the leader, volume control, body awareness and when it's the right time to get a little CRAZY!
Mon 11:00am-11:45am / Tues 9:00 am- 9:45 am

Dramacise / Ages 3-4 A perfect introduction to the world of theatre. This process-based class begins with children being challenged to create spontaneous "plays" with their teacher in role. As children become more comfortable with pretending, they will create a performance to be viewed by parents on the last day of class. We'll sing, we'll dance...and we'll celebrate our magnificent imaginations.
Mon 9:00am-9:45am / Mon 2:00pm-2:45pm / Tues 2:00pm-2:45pm

Little Picassos / Ages 4-6 It's never too early to introduce your child to the great artists of our time. Especially if it is by sharing their work as well as fun, kid-friendly facts about their lives. Students will be inspired by the styles of the most famous artists in the world and challenged to create their own art using them. It doesn't get better than this! *Mon 3:15pm-4:00pm*
